Recommendations

- Check for printing costs at a local print shop (Staples, etc)
- Printing a large document is often significantly less expensive at a print shop than it is to print on your home printer or at the Library
- Ask about binding or 3 hole punching when you order, as this is usually low cost and will make your textbook easier to use

This book is licensed under the Creative Commons Attribution-Non-Commercial 4.0 International License (<https://creativecommons.org/licenses/by-nc/4.0/>), allowing students/faculty to print it for their personal use at the cost of printing.

This book may not be printed and sold for profit.

Experiencing navigation issues?

If you encounter navigation issues while accessing this text via a link from your course in Blackboard (or other learning management system), please try accessing the online web book by using the web address in your browser. The bottom left and right corners of the web book allow you to navigate through the book (previous/next) and the top left hand corner of the web book features a drop down table of contents.
