

OTA&PTA Clinical Documentation & Caseload Management

Placement (please circle) Intermediate Internship 1 Internship 2

Student Name: _____

In order for students to demonstrate competency in clinical documentation and caseload management, Centennial College has provided the students with worksheets for practice and verification from their Clinical Supervisor(s). These worksheets are optional, and students may use alternate practice forms provided by the placement site to work on these skills. Worksheets are NOT to be uploaded/submitted.

Link to Clinical Documentation forms:
