

Field Placement 2 Checklist

BEFORE you can start Field Placement

- Non-academic requirements to be completed and submitted to Preplacement Services
- Placement Confirmation Form (link in Field Placement Confirmation email)
- Field Placement Orientation (refer to Orientation Checklist)

During Orientation or Day 1 of Field Placement

- Employer Health & Safety Form (site to complete in collaboration with student)
- Post Picture Profile

Students are responsible for reviewing the Learning Outcomes Feedback Form (LOFF), **pages 3 & 4, for details** of the following requirements.

(Students must also be familiar with and review the **Field Placement Learning Outcomes** on pages 7 to 10 of the Learning Outcomes Feedback Form (LOFF).)

Field Placement BY MIDTERM Review

- Placement Commitment of Practice (within first week)
- *2 Planning Forms (includes Implementation)
- 2 Spontaneous Experiences

Field Placement BY FINAL Review

- *3 Planning Forms (includes Implementation)
- 2 Spontaneous Experiences
- Pedagogical Documentation
- Shared Responsibility with mentor for 1 DAY

*Please Note:

Students are to complete 5 Planning Forms as follows:

Small Group Experience (Literacy), **Small Group** Experience of Student's Choice (other than Literacy), **Large Group** Experience Creative Movement, **Large Group** Experience Gross Motor, **Learning Area** (1 week) with a Provocation if working with preschool, kindergarten or school age children OR an invitation if working with infants or toddlers.

Reflections are also required once an activity is implemented. This includes Spontaneous Experiences and Shared Responsibility.

Students must meet **attendance requirements** of their Field Placement which includes an Orientation.

To support your success, your Field Placement Specialist may request to review your Field Placement paperwork at anytime throughout or after your Field Placement.

Disclaimer: This is a checklist only. Students are responsible for the details of each requirement and their overall responsibilities.
