**Preparing Students for Success in
Mathematics**

INSTRUCTIONS FOR STUDENTS

Logging In

1. Go to www.intromath.ca

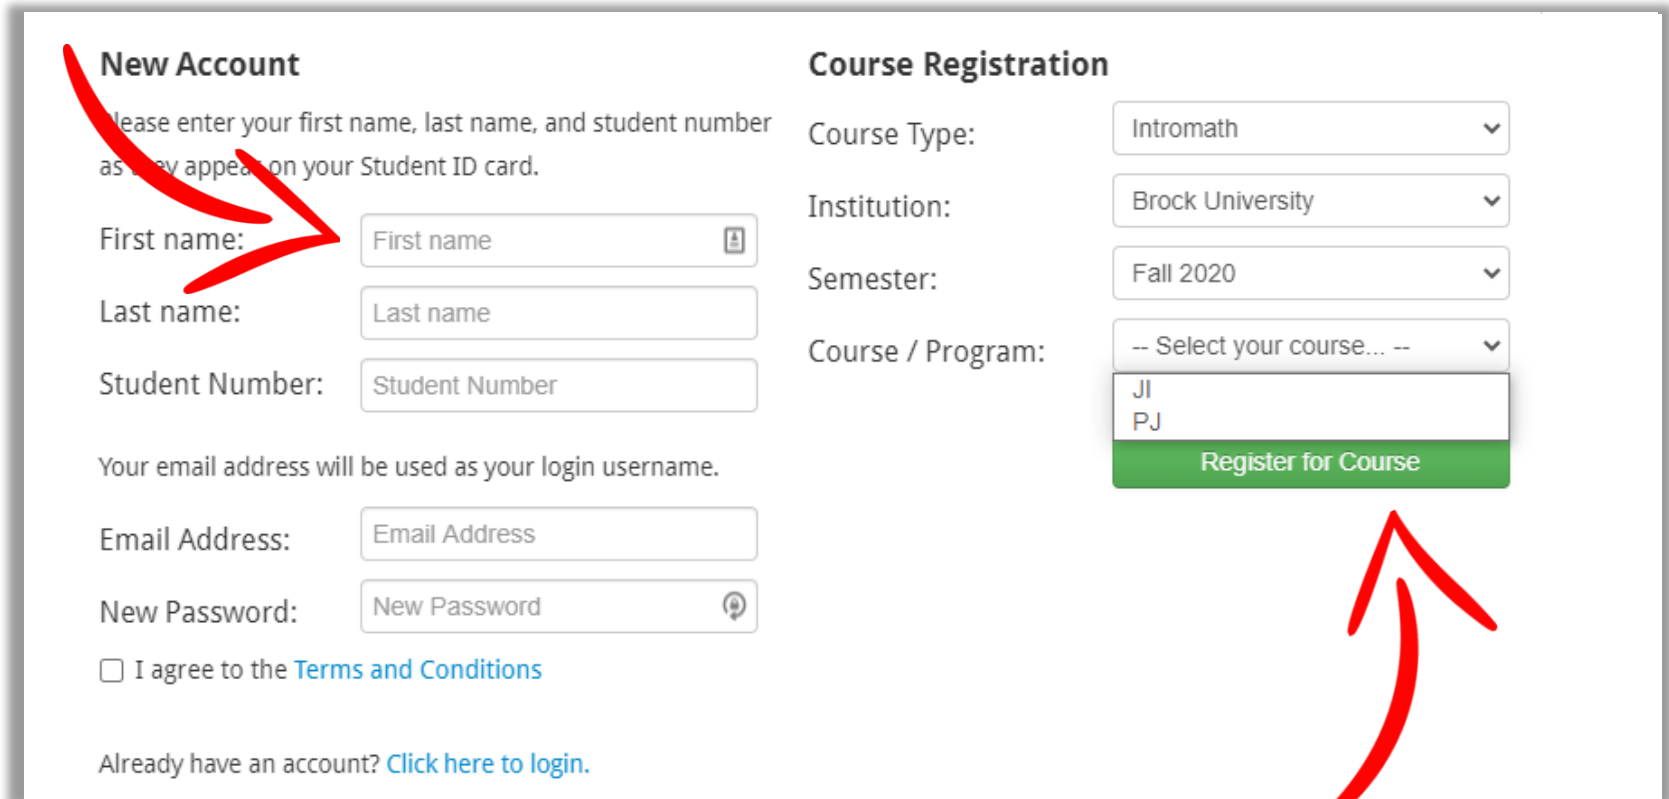

The screenshot shows the Elevate My Math website. The header includes the logo, navigation links for 'HOW IT WORKS', 'FEATURES', 'TRY OUT A DEMO', and a 'DOWNLOAD INFO' button. The main content area features a large blue background with the text 'ADAPTIVE ASSESSMENTS & INTERACTIVE REMEDIATION' and 'Ensuring that students are ready for post-secondary education.' Below this is a 'TRY IT OUT' button and a 'Contact Us' button. On the right side, there are links for 'Student Support' and 'Instructor Support'. The 'Login' section contains a 'Username' field (with a note 'usually your college email address'), a 'Password' field, and a 'Submit' button. Below the login fields is a 'Forgot password?' link. The 'Student Registration' section has a 'New Users Click Here' button. The 'New Instructor Registration' button is highlighted with a red arrow.

2. First time users must register by selecting 'New Users'

Registering for your Course

2. Fill in the required information for creating an account, Then select your institute, semester and course section

New Account

Please enter your first name, last name, and student number as they appear on your Student ID card.

3. Fill in the required details before clicking register.'

Accessing Resources

Once registered/logged in, you will see the Elevate My Math course.

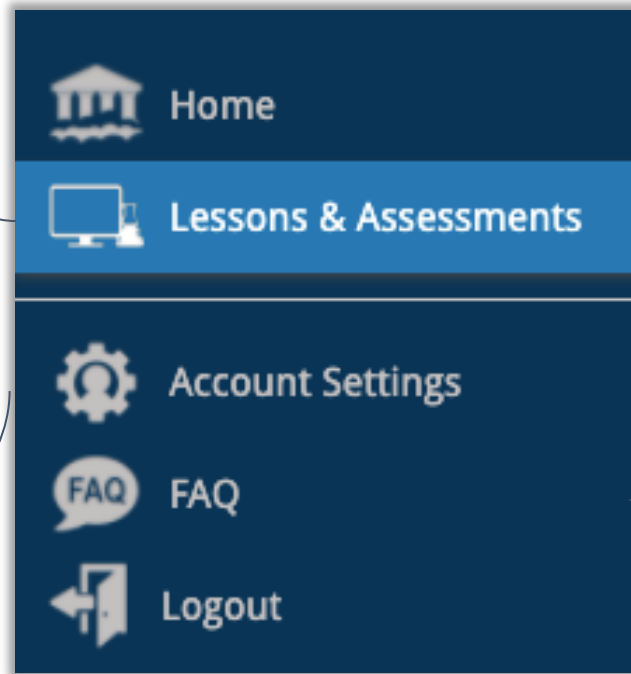

The screenshot displays the Elevate My Math user interface. On the left is a dark blue sidebar with navigation options: Home (with a building icon), Lessons & Assessments (with a monitor icon), Account Settings (with a gear icon), FAQ (with a speech bubble icon), and Logout (with a door icon). The main content area shows 'Brock University (Fall 2020)' with a list of courses: '• EMM JI - 01'. A red arrow points to this course title. To the right, under the heading 'Semesters', there is a green checkmark icon followed by 'Fall 2020'. Below the arrow, a blue text instruction reads: 'To enter the course, select the title.'

Student Navigation

Once you have selected the course, you will be able to access the content from the navigation panel on the left of the screen

Access the online lessons and assessments.

Back to your list of courses.

Frequently Asked Questions.

Accessing The Diagnostics

2. Select a Topic to Diagnose.

1. Select Lessons & Assessments.

The screenshot shows a user interface for 'ELEVATE MY MATH'. On the left is a dark blue sidebar with navigation options: Home (house icon), Lessons & Assessments (computer icon), Account Settings (gear icon), FAQ (speech bubble icon), and Logout (door icon). A red arrow points from the text '1. Select Lessons & Assessments.' to the 'Lessons & Assessments' menu item. The main content area has a light blue header with a dropdown menu currently set to '1. Fractions'. A red arrow points from the text '2. Select a Topic to Diagnose.' to this dropdown. Below the header, there are two main diagnostic sections. The first is 'Diagnostic 1' with a 0% completion indicator, 'Open 12:00 AM, Monday, May 4', and 'Close 11:59 PM, Thursday, December 31, 2020'. Below it is 'Diagnostic 1' with a 0% completion indicator and 'Attempts: 0 / 1'. A red arrow points from the text '3. Select the individual Diagnostic to access it.' to this 'Diagnostic 1' entry. Below these are two 'Upgrading 1' sections, each with a 0% completion indicator and the same open/close dates. Under the first 'Upgrading 1' section is a list of eight topics, each with a 0% completion indicator and a lock icon: Introduction to Fractions, Simplifying Fractions, Equivalent Fractions, Multiplying and Dividing Fractions, Adding and Subtracting Fractions, Applications: Fractions, Multiplying Fractions, and Dividing Fractions. At the bottom left of the sidebar is a 'Contact Us' button with an envelope icon.

3. Select the individual Diagnostic to access it.

Accessing The Diagnostics

The **Diagnostic Assessments** are carefully designed and works to identify your strengths and areas for improvement in the chosen mathematics topic.

The screenshot displays the 'Diagnostic 1' interface. On the left is a dark blue sidebar with icons for home, desktop, settings, FAQ, and a presentation icon. The main content area is titled 'Diagnostic 1' with a close date of 'Thu, Dec 31, 2020 11:59 PM'. Below the title is a 'Questions' list on the left, where 'Question 1 (1)' is selected. The main question area shows 'Question 1 of 10' and the text: 'It rains 1 day in a week and is dry for 6 days. What fraction of the week is dry?'. There are two empty input boxes for the fraction. To the right of the text is an illustration of a sun partially obscured by a cloud with raindrops. A blue arrow button is at the bottom right of the question area. At the bottom of the interface are three buttons: 'Contact Us' (with an envelope icon), 'SAVE PROGRESS', and 'SUBMIT ASSIGNMENT'.

Accessing the Upgrading Modules

1. Select Lessons & Assessments.

2. Select a Topic to Upgrade.

The screenshot displays the Elevate My Math user interface. On the left is a dark blue navigation sidebar with the following items: Home (with a house icon), Lessons & Assessments (with a computer icon and highlighted in light blue), Account Settings (with a gear icon), FAQ (with a speech bubble icon), and Logout (with a door icon). At the bottom of the sidebar is a 'Contact Us' button with an envelope icon. The main content area has a light blue header with a dropdown arrow and the text '1. Fractions'. Below this, there are two main sections, each starting with '0%' and a title. The first section is 'Diagnostic 1', with 'Open 12:00 AM, Monday, May 4' and 'Close 11:59 PM, Thursday, December 31, 2020'. Below it is a sub-section 'Diagnostic 1' with 'Attempts: 1 / 1'. The second section is 'Upgrading 1', also with 'Open 12:00 AM, Monday, May 4' and 'Close 11:59 PM, Thursday, December 31, 2020'. Under 'Upgrading 1' is a list of eight modules, each with '0%' and a blue link: 'Introduction to Fractions', 'Simplifying Fractions', 'Equivalent Fractions', 'Multiplying and Dividing Fractions', 'Adding and Subtracting Fractions', 'Applications: Fractions', 'Multiplying Fractions', and 'Dividing Fractions'. Red arrows point from the 'Lessons & Assessments' menu item to the '1. Fractions' header, and from the 'Simplifying Fractions' link to the 'Upgrading 1' section.

3. Select the individual Upgrading Module to access it.

NOTE: For each Topic, all the assigned Upgrading Modules must be completed before you can proceed to the Summative Assessment.

Accessing the Upgrading Modules

In the topics requiring improvement, you can upgrade your skills by completing modules of interactive lessons that provide continuous feedback and support throughout the assessment for learning experience.

Accessing the Summative Assessments

1. Select Lessons & Assessments.

2. Select a topic to assess.

The screenshot displays the ELEVATE MY MATH user interface. On the left is a dark blue navigation sidebar with the following items: Home (with a house icon), Lessons & Assessments (with a laptop icon), Account Settings (with a gear icon), FAQ (with a speech bubble icon), and Logout (with a door icon). At the bottom of the sidebar is a 'Contact Us' button with an envelope icon. The main content area is white and shows a dropdown menu for '1. Fractions'. Below this, there are three main assessment sections: 'Diagnostic 1', 'Upgrading 1', and 'Summative 1'. Each section has a '0%' progress indicator and a 'Close' date of 'Thursday, December 31, 2020'. The 'Summative 1' section includes a list of sub-topics: 'Introduction to Fractions', 'Simplifying Fractions', 'Equivalent Fractions', 'Multiplying and Dividing Fractions', 'Adding and Subtracting Fractions', 'Applications: Fractions', 'Multiplying Fractions', and 'Dividing Fractions'. A 'Contact Us' button is also visible at the bottom left of the main content area.

3. Select the individual Summative Assessment to access it.

Accessing the Summative Assessment

The **Summative Assessments** will let you demonstrate your proficiency after completing the upgrading modules and to move forward with confidence to further study.

Completion Certificates

The **Elevate My Math** course is divided into Phases. Each Phase has a certificate of completion that will only unlock after successfully completing the preceding summative assessments.

The screenshot displays a web interface with a dark blue sidebar on the left containing various icons for navigation. The main content area features a light blue certificate with the following text:

Click here to print your certificate.

Payment Structure

The **Elevate My Math** course is set up in a module by module payment structure. Students will only be required to pay for modules they need as determined by the Diagnostic Assessments

- Diagnostic Assessments are complimentary to all students for all topics.
- Performance on the Diagnostic will determine if upgrading is required. Payment is required to access the upgrading.
- Price per module is regularly \$5.00 + HST per topic. This has been reduced to \$2.00 per topic for Brock students during the pandemic.
- Diagnostic performance that determines no upgrading requirement will not be billed for.

REQUIRED PURCHASE

- Basic Concepts ✓
- Basic Operations ✓
- Fractions ✓
- Percents, Ratios, and Proportions ✓
- Geometry ✓

**\$2 per topic*

| | |
|---------------|----------------|
| Subtotal: | \$10.00 |
| Tax: | \$1.30 |
| TOTAL: | \$11.30 |
