Instructions

Line 111: Certain rebates can reduce or offset your amount owing. Those rebate forms contain a question asking if you want to claim the rebate amount on **line 111** of your GST/HST return. Tick **yes** on the applicable rebate form if you are claiming a rebate on **line 111** of your GST/HST return. Generally, you must file the applicable rebate application with your return. However, if you file the return electronically and do not file the rebate application electronically, send the rebate application to us by mail.

Line 205: Fill out this line **only** if you purchased taxable real property (other than an individual who purchased a residential complex) or taxable carbon emission allowances for use or supply primarily (more than 50%) in your commercial activities and the supplier was not required to collect the tax and was not deemed to have collected the tax. For example, you may be required to self-assess tax on this line if you purchased taxable real property in Canada from a non-resident. If you qualify for an input tax credit on the purchase, include this amount on **line 106** (**line 108** if you are filing electronically).

Line 405: Fill out this line **only** if you have to self-assess GST/HST on an imported taxable supply or you have to self-assess the provincial part of HST. If you are a financial institution, you may also have to self-assess GST/HST under special import rules.
