Need directions?

Before you make a decision you'll want to be sure you have considered all the options.

In deciding to join, you should think carefully about your own situation. Different factors will be relevant for each individual and only you can determine the action that is best for you.

Here are some of the things to think about when deciding whether or not to join the Plan. No doubt you will have other, unique factors to take into account as well.

Please visit the above link to learn information about membership, contributions, retirement, career changes, and various other topics relating to the CAAT Pension Plan.

*Only you can decide if joining the CAAT Pension Plan is right for you. Once you've reviewed all the information and used the tools, you should be ready to decide if you want to join now and start building your retirement income with the CAAT Plan. You have the option to join at any time during your part-time employment, and begin building a pension from that point forward. The earlier you join, the sooner you start accruing service which is a key component in building your future pension. **Once you join, you can't opt out.***
