Widgets can be found on your FOL course homepages.

You will now find a Course Information widget on each of your FOL homepages. Please complete this information before classes open to students.
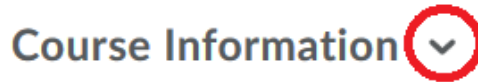

FOL Essentials

Policy: A115 E-learning

To support the College strategic goal to advance e-learning, essential FanshaweOnline elements have been outlined and are expected to be present in **EVERY** FOL course.

The Course Information widget fulfills one of these Essential Elements. You can view the full list here: College Policy A115-Elearning
