

Eight Semester Totals: Fall 2020 - Winter 2023

Learn Well Virtual Communities Semester Breakdown

Winter 2023 there was a significant increase in the views and users in the VCs. From Fall 2022 to Winter 2023, views increased by 136% and users increased by 128%.

Well Series Module Views on Libguide

Winter 2023 Libguide views were high for Graduate Well, Work Well, and Start Well. From Fall 2022 to Winter 2023, Graduate Well views increased 261%, Work Well views increased 153%, and Start Well views increased 8%.

Arrive Well Libguide views were lower than usual, decreasing 68% between Fall 2022 and Winter 2023. This was the result of a shift in focus to promoting the open access platform for incoming international students. Learn Well views were slightly lower between the two terms, decreasing by 8%.
