To help you get started, we have a dedicated Notion page with resources, including committee responsibilities and a template for meeting notes. If you would like access to this page, please let me know, and I will share it with you. Otherwise feel free to use any other tools or applications for notetaking and staying organized with meeting updates. Note that you will need to sign up for Notion to access the materials.

Below, you'll find a list of TFSON committees along with your assigned role.

Please reply to this email to confirm receipt, and we will follow up with further instructions.
