

(Book 2) Lesson 27c.
Continuous Octave Scale on "G-B-E" Strings
in Eighth Notes

(Work out a variety of plectrum techniques.)

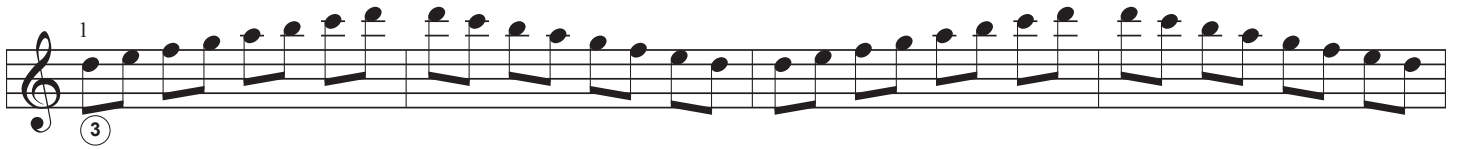

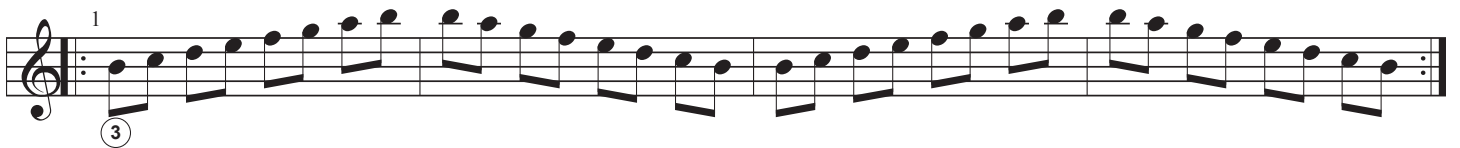

1.All Down Strokes 2. All Up Strokes 3. Alternately 4.Reverse Alternation (begin with up stroke)

Repeat "A" scale with all four fingerings

Repeat "B" scale with all four fingerings

Repeat "E" scale with all four fingerings

Play as one exercise without stopping. Due to the guitar tuning, all scales starting on the "G" string begin with the first finger. (Except in open position.)
