

(Book 4) Lesson 9d.

Octave Scales on "A-D-G" Strings in Triplet Eighth

At least four options are available on the "D" mode.

From this point, unisons on D-G-B strings.

work out all of the fingering options.

From here onward, double unisons on D-G-B and G-B-E strings.

A multitude of plectrum techniques is possible on triplet eighths.

A daily change of key will make this a bit more challenging for the brain.
