

(Book 5) Supplement 11c.

Open Voiced 2nd Inversion Chords (bass note on "D" string)

6th to 7th and altered 5ths

**B $\flat$ 6**      **B $\flat$ 7**      **B $\flat$ 7 $\flat$ 5**      **B $\flat$ 7+5**

This section shows four chords with their respective fingerings and musical notation. Each chord is represented by a guitar fretboard diagram with a treble clef and a bass clef. The diagrams show the placement of fingers (black diamonds) and the resulting notes on the strings. The musical notation below each diagram shows the chord in a bass clef with a treble clef, indicating the notes on the strings.

**Altered B $\flat$ 7 Roots**      **B $\flat$ 7 $\flat$ 9**      **B $\flat$ 9**      **B $\flat$ 7 $\sharp$ 9**

This section shows four altered chords with their respective fingerings and musical notation. Each chord is represented by a guitar fretboard diagram with a treble clef and a bass clef. The diagrams show the placement of fingers (black diamonds) and the resulting notes on the strings. The musical notation below each diagram shows the chord in a bass clef with a treble clef, indicating the notes on the strings.

**Major Series B $\flat$**       **B $\flat$ maj7**      **B $\flat$ 7**      **B $\flat$ 6**

This section shows four chords from the Major Series with their respective fingerings and musical notation. Each chord is represented by a guitar fretboard diagram with a treble clef and a bass clef. The diagrams show the placement of fingers (black diamonds) and the resulting notes on the strings. The musical notation below each diagram shows the chord in a bass clef with a treble clef, indicating the notes on the strings.

**Minor Series B $\flat$ m**      **B $\flat$ m(maj7)**      **B $\flat$ m7**      **B $\flat$ m6**

Normal distribution of the notes would make a tough fingering. Black diamonds show the optional and more playable fingering.

This section shows four chords from the Minor Series with their respective fingerings and musical notation. Each chord is represented by a guitar fretboard diagram with a treble clef and a bass clef. The diagrams show the placement of fingers (black diamonds) and the resulting notes on the strings. The musical notation below each diagram shows the chord in a bass clef with a treble clef, indicating the notes on the strings.
