

Lesson 9a. Key of "F" Major

The first step when encountering a new scale is to memorize it thoroughly. Any flaw in playing the scale will most likely also show up as a flaw when you begin playing a song which is based on that particular scale. The F major scale is popular in music but not very popular with guitar players.

watch for the B flats Use "combination fingering" as much as possible.

3 0 2 -2 1 -1 0 1 0 3 -1 2 -2 0 3

FUN STUFF 1.

Concentrate on perfect alternation of the pick in the FUN STUFF using the F Major Scale.
