

## **TABLE OF CONTENTS**

(**Editor:** Tony's original document had the pages numbered but I have used a slightly different system which should be easy to understand when you open the book. **G.A.**)

### Foreword

A message to the student and a message to the teacher followed by Principles of Procedure

Preliminary Lesson 1 - Establishing a beat.

Preliminary Lesson 2 - Word syllables as they might apply to music

Preliminary Lesson 3 - Introduction to plectrum studies

Preliminary Lesson 4 - Practical plectrum studies

Preliminary Lesson 5 - Musical alphabets and practical drills

Preliminary Lesson 6 - Clefs and the introduction to the lines and spaces of the "Treble Clef."

Preliminary Lesson 7 - Introduction to lines and spaces below the staff.

- Combining line and space names in and below the staff.

Preliminary Lesson 8 - Lines and spaces above the staff.

- Combining notes in and above the staff.

- Combining notes below-in-above the staff.

Preliminary Lesson 9 - Introduction of notes and rests

- Discussion of note inflections, timing and using phonetics.

- Preliminary discussion of Major and Minor Scales.

Lesson 1 - Discussion of marking and sound of open strings

- a practical procedure

Lesson 2 - Plectrum practice of all open strings.

Lesson 3 - Plectrum studies combining any two strings.

Lesson 4 - Plectrum studies combining any three strings

Lesson 5 - Plectrum studies combining any four strings

Lesson 6 - Plectrum studies combining any five strings

Lesson 7 - Elbow and plectrum co-ordination studies.

Lesson 8 - Glide picking exercises

Lesson 9 - Open position----discussion of left hand fingering.

Lesson 10 - Applied left hand fingering plus note inflections.

Lesson 11 - Diatonic notes and inflections on the "E" (first) string.

Lesson 12 - First position studies on the "E" (first) string

Lesson 13 - Diatonic notes and inflections on the "B" (second) string

- First position studies on the "B" string

Lesson 14 - Studies combining the "B" and "E" strings

Lesson 15 - Diatonic notes and inflections on the "G" (third) string

- Octave scales on the "G-B-E" strings with note inflections

Lesson 16 - Diatonic notes and inflections on the "D" (fourth) string

- Studies on the "D" string

- Octave scales on the "D-G-B" string with note inflections

- Duet No.1

Lesson 17 - Diatonic notes and inflections on the "A" (fifth) string

- Studies on the "A" string

- Octave scales on the "A-D-G" strings with note inflections

- Duet No.2

Lesson 18 - Diatonic notes and inflections on the "E" (sixth) string

- Studies on the "E" string

- Octave scales on the "E-A-D" strings with note inflections

Lesson 19 - Pattern style fingering on all strings based on first position fingering

Lesson 20 - Glide and alternate picking practice in first position

Lesson 21 - A discussion and practical vehicle for other forms of fingering

Lesson 22 - Two, three and four note groupings in first (open) position

Lesson 23 - A variety of two octave scales using the same alphabet but with various note inflections
