

LESSON 18.

Notes on the "E" (6th) String

E (open string)      F (1st fret)      G (3rd fret)

0                      1                      1

Diatonic Notes

Upward moving inflections: add fingers

0                      1                      1                      1                      1                      1

2                      2                      2                      2                      2                      2

3                      3                      3                      3                      3                      3

4                      4                      4                      4                      4                      4

enharmonic                      enharmonic

Downward moving inflections: remove fingers one at a time.

4                      3                      2                      1

Diatonic Study on the "E" String

(Editor: Students and surrogate teacher's might look at this and say that the exercises lack interest and originality. Tony would most likely have agreed with that viewpoint. Interest and originality is not the issue here. The idea is to do some learning. G.A.)
