

Use a Rubric

Take out your assignment instructions and rubric. Use them to answer the following questions:

Key Question	Information from the Assignment Guidelines and Rubric
<p>Describe in one sentence your task on this assignment: What do you need to do?</p>	
<p>What resources will you use to complete this assignment? Review any textbook materials, handouts, or class notes that relate to this assignment.</p>	
<p>How many additional resources do you need to find to complete the assignment task? (<i>consider books, peer reviewed articles, websites, or other resources</i>).</p>	
<p>What content do you need to create for this assignment?</p>	
<p>What guidelines do you need to follow related to the format of the assignment?</p>
